A Morning Seminar to take you forward in your dowsing journey.

**It will be practical, hands on,
and will introduce you to the concept that:**

"Existence is Vibration"

- Expand and refine your dowsing skills to achieve accuracy and reliability.
- Discover how your physical and subtle energy bodies interact and affect all aspects of your lives, and how to use them to enhance your life.
- Learn by dowsing, how, when and where negative emotional responses arise and...
- How to change them to positive outcomes for better relationships with family members, neighbours, employers, work/business colleagues and community contacts, selling and buying property and much more.
- Explore the power of the 'Spirit of Water' and the 'Spirit of Words', expanding on the work of Dr Masaru Emoto, author of bestseller 'The Hidden Messages from Water'.
- Learn how to use this communication to make your own personalised essences for people, pets, plants and planet.

This seminar assumes a basic knowledge and grasp of pendulum dowsing.

What to bring: A notebook, pen, pendulum, any other dowsing equipment you use and a small bottle of water for the 'essence exercise', in **addition** to your preferred personal drinking water.

When: Sunday 19th February, 2023. 9.15 for 9:30am start, till 1.00 pm. Followed by our monthly meeting.

Where: Community Hall, 44 Gladesville Rd, Hunters Hill. (Same place as monthly meetings.)

Cost: \$60 for members, \$70 for non members.
