- Discover how your physical and subtle energy bodies interact and affect all aspects of your lives and how to use them to enhance your life.

- How to change them to positive outcomes for better relationships with family members, neighbours, employers, work/business colleagues and community contacts, selling and buying property and much more.
- Explore the power of the 'Spirit of Water' and the 'Spirit of Words', expanding on the work of Dr Masaru Emoto, author of bestseller 'The Hidden Messages from Water'
- Learn how to use this communication to make your own personalised essences for people, pets, plants and planet. See \*below
